

PERSONAL DATA OWNER APPLICATION FORM

GENERAL INFORMATION

In accordance with Article 20 of the Constitution of the Republic of Turkey, everyone has the right to request the protection of personal data regarding themselves. This right also includes being informed about personal data about oneself, accessing this data, requesting its correction or deletion, and learning whether it is used for its purposes.

Personal Data Protection Law No. 6698 ("PDP Law") grants personal data owners defined as relevant persons (hereinafter referred to as 'Applicant') the right to make certain requests regarding the processing of personal data in Article 11 of the PDP Law.

Samilsan Health Services Tourism Consultancy Ltd. (hereinafter referred to as "International Plus" or "Institution"), in accordance with Article 13 of the PDP Law, in order to evaluate the rights of personal data owners and provide the necessary information to personal data owners, this Personal Data Owner Application Form is prepared by Samilsan Health Services Tourism Consultancy Ltd. as the data controller.

1. RIGHT OF APPLICATION

1.1. Application Topics

In accordance with Article 11 of the KVK Law, anyone whose personal data is processed can apply to our Institution and make requests regarding the following issues regarding themselves:

- (1) Learning whether personal data is being processed or not,
- (2) Requesting information if personal data has been processed,
- (3) Learning the purpose of processing personal data and whether they are used in accordance with their purpose,
- (4) Learning about third parties to whom personal data is transferred domestically or abroad,
- (5) Requesting correction of personal data in case of incomplete or incorrect processing and requesting that the action taken in this context be notified to third parties to whom personal data has been transferred,
- (6) Requesting the deletion, destruction or anonymization of personal data in case the reasons requiring the processing of personal data disappear, and requesting that the action taken in this context be notified to third parties to whom personal data has been transferred,
- (7) Object to the emergence of a result unfavorable to the personal data owner by analyzing the processed data exclusively through automatic systems,
- (8) Request compensation for damages in case of damage due to unlawful processing of personal data.

1.2. Situations Excluded from the Scope of the Right of Application

In accordance with Article 28 of the KVK Law, personal data owners will not be able to assert their rights in the following cases:

- (1) Processing of personal data by real persons within the scope of activities related to themselves or their family members living in the same residence, provided that they are not given to third parties and obligations regarding data security are complied with.
- (2) Processing of personal data for purposes such as research, planning and statistics by

anonymizing them with official statistics.

- (3) Personal data may be processed for purposes of art, history, literature or science or for the freedom of expression, provided that it does not violate national defense, national security, public safety, public order, economic security the privacy of personal life or individual rights.
- (4) Processing of personal data within the scope of preventive, protective and intelligence activities carried out by public institutions and organizations authorized by law to ensure national defence, national security, public safety, public order or economic security .
- (5) Processing of personal data by judicial authorities or enforcement authorities regarding investigation, prosecution, trial or enforcement proceedings.

In accordance with the 2nd paragraph of Article 28 of the KVK Law, data owners will not be able to assert their rights, except for the right to demand compensation for damages:

- (1) Processing of personal data is necessary for the prevention of crime or criminal investigation.
- (2) Processing of personal data made public by the data subject himself.
- (3) Processing of personal data is necessary for the execution of auditing or regulatory duties and disciplinary investigation or prosecution by public institutions and organizations and professional organizations that are public institutions, based on the authority granted by the law.
- (4) Personal data processing is necessary to protect the economic and financial interests of the State regarding budget, tax and financial matters.
